How to Register and Sign In as a registered user

How to create a new User Account

1. On the upper right corner of the One Lambda [website](#) Home page click **Register**

The screenshot shows the One Lambda website home page. At the top right, there is a navigation bar with the text "Welcome, Guest | Sign In or Register". Below this, there is a search bar and a "United States" dropdown menu. A red box with the number "1" is placed over the "Register" link, and a black arrow points from this box to the "Register" text in the navigation bar. The main content area features a large blue banner with an anatomical illustration of a human torso and text: "A Powerful Ally in Transplant Success", "LABScreen® Multi is designed to help advance DSA monitoring.", and a "Learn more" link. To the right of the banner is a "Resources" section with a list of links: "Brochures & Catalogs", "Product Inserts", "Software Updates", "Product Packaging Documents", and "Product Documentation Search". Below the banner, there are three sections: "New & Featured" with a "New & Featured" button and "Events & Education" link; "FEATURED PRODUCT LABScreen® Multi" with a photo of a man and the text "Thinking about TRALI mitigation?"; and "COMING SOON NXType by NGS" with a photo of a laboratory instrument and the text "Turn-key NGS Solution".

How to Sign In as a Registered User

- On the upper right corner of the One Lambda website Home page (www.onelambda.com) click **Sign In**

The screenshot shows the One Lambda website home page. At the top right, there is a navigation bar with the text "Welcome, Guest | Sign In or Register". Below this, there are links for "United States" and "Contact Us", and a search bar. A red box with the number "7" is placed over the "Sign In" link, and a black arrow points from this box to the "Sign In" text in the navigation bar. The main content area features a large image of a human torso with internal organs highlighted in blue and purple. To the right of this image is a blue box with the text "A Powerful Ally in Transplant Success" and "LABScreen® Multi is designed to help advance DSA monitoring." Below this text is a "Learn more" link. To the right of the main content area is a "Resources" section with a red header and a list of links: "Brochures & Catalogs", "Product Inserts", "Software Updates", and "Product Packaging Documents". Below the "Resources" section is a "Product Documentation Search" field. At the bottom of the page, there are three sections: "New & Featured" with a yellow arrow pointing to "Events & Education", "FEATURED PRODUCT LABScreen® Multi" with a photo of a man in a white lab coat and the text "Thinking about TRALI mitigation?", and "COMING SOON NXType by NGS" with a photo of a laboratory instrument and the text "Turn-key NGS Solution".

How to Sign In as a Registered User

The image shows a 'Sign In' modal window. At the top, it says 'Please sign in to access your account. You must log in to access some documents & content. Don't have a profile? [Register now](#)'. Below this are two input fields: 'Email Address *' and 'Password *'. A 'Forgot your password?' link is positioned to the right of the password field. At the bottom right of the form is a blue 'SIGN IN' button and a grey 'Cancel' button. A 'Need Help?' section at the bottom left provides contact information: 'Call website support at (800)822-8824 or email us'. Three red boxes with white numbers (8, 9, 10) and arrows point to the email field, the password field, and the 'SIGN IN' button respectively.

8. Enter email address used to register

9. Enter Password

10. Click on the Sign In button.

You are now logged on as a registered user.
